

CONTACT

OFFICE HIRE

When Contact reopens in Spring 2020, we will be offering exciting new workspace opportunities at our transformed venue.

Our two new partially-serviced office spaces will be embedded at the heart of one of Manchester's most progressive cultural hubs, with an international reputation for arts innovation.

Users will have access to high-speed internet, a private meeting space and kitchen facilities. Our refreshed bar and café will be serving a vibrant new menu, and will be the perfect setting for informal meetings over a coffee, forging new relationships or simply taking some time out.

Contact, Oxford Rd, Manchester M15 6JA
